

Summer Workshop
AUGUST 2009

Terms and Conditions

The cost of the week needs to be paid in full at the time of booking.

This confirms a place for your child, and you will receive an email to verify the booking. Unfortunately I am unable to offer any refunds for cancellations unless they are made by 6 July. Providing I am able to fill the space at this time, you will receive a full refund, less £10 administration charge.

There are no sibling discounts for the Summer Workshop.

Whilst it is hoped that the children will attend for all 5 days of the week, it is not essential. However, please note there are no discounts to allow for a shorter week.

Please provide us with any pertinent information regarding your child and their time with us.
