

BEAUTY AND THE BEAST LYRICS - CLASS B

I NEVER MET A ROSE

Oh I have met a daisy, but where we met is hazy
And I have walked the streets with marguerites and clinging vines beside me
Oh I've met a lot of those, But I never met a rose

There's often been a heather, an armful all together
And I have even met a violet who almost satisfied me
Yes, I've met every type that grows, but I never met a rose

Among the dahlias I often dally, I left a lily in the valley
But now and then I ponder and wonder as I wander
Among the fields and shrub, perhaps the trouble is, who knows
That I never met a rose, never never met a rose.

While walking through the clover, Perhaps I passed her over
When all is said and done, I am the one to blame? Who knows...
That I never met a rose, never never met a rose

SECOND HAND ROSE

I'm wearing second hand hats, second hand clothes
That's why they call me Second Hand Rose
Even our piano in the parlour
Father bought for ten cents on the dollar
Second Hand pearls I'm wearing second hand curls
I never get a single thing that's new
Even Jake the plumber, he's a man I adore
He had the nerve to tell me he's been married before
Ev'ry one know that I'm just second hand rose
From Second Avenue

EVERYTHING'S COMING UP ROSES

Things look swell, things look great, gonna have the whole world on a plate
starting here, starting now, honey, everything's coming up roses!
Clear the decks, clear the tracks, We got nothing to do but relax
Blow a kiss, take a bow, honey, Everything's coming up roses!
Now's your inning, stand the whole world on its ear
Set it spinning, that'll be just the beginning!
Curtain up, light the lights, We got nothing to hit but the heights
We'll be swell, we'll be great, I can tell, just you wait
That lucky star I talk about is due! Honey
Everything's coming up roses for me and for you!

PANTOMIME (finale)

Pantomime. Pantomime, What a thrill, what a time!

Where all the world it's cares can leave, in the land of make-believe

Pantomime, Pantomime, Music plays, keep in time

With ev'ry heart that knows the score and we're all just kids once more

With knaves and princes, dames and clowns, all seeking crowns of gold

Through tears and laughter after all, a happy ending to behold

Pantomime, Pantomime, on it goes, so sublime

It's entertainment's greatest show, So! Long Live Pantomime!

And maybe...

SMILE SMILE SMILE

I saw a sparkle of rain, I saw it kissing a rose

It made me smile, smile, smile

I felt a butterfly's wings, I felt it tickle my nose

It made me smile, smile, smile

I heard the whole world sing and bells start to chime

The day a baby walked for the very first time

The smallest moment of joy can fill your heart with a smile

And make it all worth while

Hey! What's that look on your face, the world's a much better place

I saw you smile, smile, smile
