

**ACT ONE - INTERCUT**

*Close Blacks. Enter Class A, Nits SR*

ALL Hello everyone

A1 We are little nits

A2 We promise we won't stay if you don't want us

A3 Because we are good nits

A4 And we're funny

A5 Which makes us nitwits

A6 Do you like our costumes?

A7 We are nits with glitz

A8 I've always had an itch for showbiz

A9 You may wonder what we're doing here?

A10 Yes, it's a real headscratcher

A11 We didn't just appear from thin Hair

A12 No, we took a shortcut

A13 We'd like to sing for you

A1 You could call us the HeadBand

A2 Because we rock

A3 *(waves at audience)*

A4 What are you doing?

A3 I like wavy hair  
A4 And I like thick hair  
A5 because it's stupid!  
A6 This is a very hairy Pantomime  
A7 That's why we're here  
A8 And we're hair to stay  
A9 let's do what we do best  
A10 It's time to put our best foot forward  
A11 Which is hard when you have six legs  
A12 But luckily we only have two  
A13 We can't possibly go wrong!

A2 Don't you love us?  
RAP I suppose I do, you're the only friends I have  
A3 We don't mean to bug you  
A4 We love you so much  
A5 That's why we're HAIR to stay  
RAP It certainly is hard to get rid of you  
A6 You get FULL MARKS for trying  
A7 Please don't make us homeless  
A8 Would you like to sing a song with us?  
A9 Or perhaps you'd like to do some Knitting?  
A10 We can show you what we've got  
A11 So far we've only scratched the surface  
A12 A bit like you, Rapunzel  
RAP I'd love to hear you sing, so you can take it away  
A13 Prepare to be impressed

A2 Were you talking to ... a man?

A3 Where did he come from?

A4 I hear a good man is hard to find

RAP His name is Bob

A5 Ah, Bob's your Uncle

RAP No, I don't think so. I think he could be someone rather special. He's going to rescue me!

A6 Ah, the old Motown classic

RAP I'm out of here Nits! I'm finally going to get away from this tower

A7 But what about us?

A8 Please don't leave us behind

A9 She's going to HAIRbrush us out of the picture

A10 That makes me really sad. Really, really sad

A11 This show is turning in to a tragedy

A12 Ah, The Bee Gees – we love them

RAP Don't worry Nits, I'm sure I couldn't get rid of you even if I tried.  
WhereHAIRver I go, you come too

A13 Thank goodness for that. Let's Celebrate Good Times!
