ROSE Hello my little Rose Buddies

ALL Hello Rose

ROSE I'm so pleased you're here, can you spread some cheer?

A1 That's what we're good at

A2 We can sing, we can dance

A3 We can make you happy

A4 I'm happy I'm not a rose petal

ROSE You had the choice – this is a gender neutral show!

A5 Then why can't I be a Leaf Man?

A6 Because there weren't enough costumes!

A7 I think we look lovely just as we are

ROSE Too right – don't ever change. I think you're all perfect

A8 We're more perfect than that Prince

A9 Don't worry Rose, we'll sprinkle some flower power

A10 Because, we are confetti

A11 Is this a wedding?

A12 No, it's a pantomime. So let's celebrate

A1 We'll sing you a flower song, and you'll love it

A1 Hello, we're back again

A2 This is our last hurrah

ALL Hurrah!

A3 We need to sprinkle some magic

A4 This is un-beLEAFable

A5 Roses are red, violets are blue

A6 We're quite near the end, so I think I'll boo-hoo

A7 Don't be sad, all's well that ends well

A8 But will it?

A9 Stop being a doubter

A10 I don't know where your fear STEMS from

A11 There will be no tears or sor-ROSE

A12 Because Pantomimes always have a happy ending

A1 One last time please Maestro, hit it!

C But how are we relevant?

D Because of the EuROSE

A Can I be franc?

B No, because you’re Poppy/ Lila

C Hey, don’t rain on her parade

D Talking of rain – is that a cue for our next song?

C You can take it or leaf it

B I think we’ll take it. Last time we really ROSE to the occasion
