

CLASS A – LYRICS, JACK AND THE BEANSTALK

WE ARE THE LITTLE BEANIES

We are the little beanies, happy girls and boys
We fight for what is right and true, and if you're good we'll fight for you
'cos we are the little beanies, you just watch us grow
the fastest thing you've ever seen, will happen when you plant this bean
dear Fairy Liquid is our Queen, We're happy girls and boys!

IF I SHOULD PLANT A TINY SEED OF LOVE

In the garden of your heart
Would it grow to be a great big love some day
Or would it die and fade away
Would you care for it, and tend it everyday
Till the time when all must part
If I should plant a tiny seed of love,
In the garden of your heart

WHEN TROUBLES TROUBLE YOU SING BEANIE SING

Do like the beanies do, sing beanie sing
When cold winter comes and we've all got chilly tums
Poor little beanies, we keep moving, and we're groo-oo-ooving
Oh ho ho don't you know, a song a day, Keeps mean old Mr Gloom away
Hard Luck don't like music, with that certain swing,
So swing while you sing, Beanie Sing!

PANTOMIME PANTOMIME What a thrill, what a time!

Where all the world it's cares can leave, in the land of make-believe
Pantomime, Pantomime, Music plays, keep in time
With ev'ry heart that knows the score and we're all just kids once more
With knaves and princes, dames and clowns, all seeking crowns of gold
Through tears and laughter after all, a happy ending to behold
Pantomime, Pantomime, on it goes, so sublime
It's entertainment's greatest show, So! Long Live Pantomime!
